sheet molding compound machine

Pultration Machines

- Reciprocating Hydraulic
- Pneumatic Actuating Mechanical Grippers
- Reciprocating Hydraulic
- Single/Double Platen Vertical Hydraulic Clamping
- Caterpillar Puller Type
- Pultrusion Accessories
- Automatic Section Cutter
- Glass Mat Slitter

Pultration Accessories

- Creel stand / glass roving stand
- Roving guide stands
- Mat roll stands
- Preform guide stands
- Resin bath
- Resin injection system
- Section conveyor roller table
- Pressure vessel injection system

Automatic Section Cutter

- Single cutter
- Dual cutter
- Selectable line cutter

Glass Matt Slitter Machine
